MOL Announces Launch of Mozambique Express Service (“MZX”)

TOKYO - Mitsui O.S.K. Lines, Ltd. (MOL, President: Koichi Muto) today announce its new Mozambique Express Service (“MZX”), departing Singapore on June 7, 2013.

MZX is a weekly service operated by PIL with 7 vessels, and MOL will have space on their new MZS service by swap with some spaces on new IOX service which is announced today separately.

Current MOL bi-weekly service, Mozambique Zuid Africa IOI Service (current “MZS”), will be discontinued upon commencement of new IOX and MZX services.

MOL will enrich service coverage for emerging Mozambique and Indian Ocean Islands ports, with new direct access to Reunion, Beira and Nacala.

MOL is committed to meet the customer needs by providing high-quality services and variety of port coverage.

- New MZX Rotation (Total Rotation: 49 days)
Singapore - Maputo - Beira - Nacala - Singapore
