Rate restoration programme from Asia to New Zealand

Dear Valued Customers,

In order to maintain a high standard of service to customers, MOL will be implementing a rate restoration programme from 1st September, 2012 on its Asia to New Zealand services.

From **1st September, 2012** all outward shipments with origin in Korea, China, Taiwan, Hong Kong, Singapore, Indonesia, Malaysia, Philippines, Thailand and Vietnam to ports and points in New Zealand will levy an increase of **US\$300/TEU** and **US\$600/FEU** for both dry and refrigerated cargo in the base ocean freight. This increase will apply in full on top of existing ongoing market rates and will be subject to accessorial surcharges applicable at the time of shipment.

If you have any queries, please feel free to contact your local MOL Sales or Customer Service representative.
