RE: Shipments to/from Qatar

Dear MOL Customer,

Please be informed that MOL is now ready to reopen acceptance of cargo to and from Qatar as from July 3rd, 2017.

We will provide service via Nhava Sheva through our HSX service and feeder vessel to Hamad, Qatar and v.v. Should there be change in the situation, this service is subject to review.

The first sailing to Qatar on HSX service is MOL Eminence 0201W (ETA Singapore July 29th, 2017 and ETA Hamad August 18th, 2017).

If you have any questions, please contact your local MOL sales or customer service representative. As always, we appreciate your business.

Sincerely,

MOL Liner Ltd.
