Re: East Coast South America - General Rate Increase - April 01st, 2007

Dear Our Valued Customers

Wish to advise that we will be implementing a Rate Increase on April 01st, 2007 on all shipments transiting Singapore enroute to East Coast South America.

From Bill of Lading date 01 April 2007 all shipments to East Coast South America will levy an increase of US\$ 200/TEU and US\$ 400/FEU for both dry and refrigerated cargo in the base ocean freight.

This increase will apply in addition to existing market rates and will be subject to all ancillary charges applicable at the time of shipment.

Should you have any questions, please contact us.

With best regards,
MOL (Indonesia)
