Re: East Africa - General Rate Restoration - December 01st, 2007

Dear Our Valued Customers

Wish to advise that we will be implementing a Rate Restoration on December 01st, 2007 on all shipments transiting Singapore enroute to East Africa.

From Bill of Lading date 01 December 2007 all shipments to East Africa will levy an increase of **US\$ 150/TEU** and **US\$ 300/FEU** for both dry and refrigerated cargo in the base ocean freight.

This increase will apply in addition to existing market rates and will be subject to all ancillary charges applicable at the time of shipment.

Should you have any questions, please contact our local offices.

With best regards,
MOL (Indonesia)
