September 2007

Dear Our Valued Customers

Would like to share following business plan for Europe and Mediterranean with effective October 1st 2007

**FAR EASTERN FREIGHT CONFERENCE (FEFC)
WESTBOUND TRADE – ASIA-NORTH EUROPE AND MEDITERRRANEAN**

2007 Business Plan

As previously advised there will be a Rate Restoration on 1st October 2007. Principals have agreed a quantum of USD 200/TEU for General Cargo Containers and USD 350/TEU for Reefer containers valid from 1st October 2007 to 31st December 2007.

High Cube Surcharge

The High Cube Surcharge will be increased to USD 300 per unit from 1st October 2007.

Peak Season Surcharge (PSS)

Due to unprecedented volumes and exceptionally high utilisations, which are forecast to continue into 2008, the Principals of the FEFC have decided to extend the PSS on both the Mediterranean and North European trades until 17th February 2008.
