Re: ISAA Far East - Pakistan & India Trade - General Rate Increase 15 Oct 2007

Dear Our Valued Customers

Due to increment of various cost factors which have become evident this year, the Conference Lines member have therefore decided to increase the rate as of **15 Oct, 2007**.

To be in line with the action taken, MOL as the member lines covering trade wish to inform our customers of rate restoration **US\$ 150 per teu**.

This increase will apply on top of existing rates and subject to all accessorial surcharges applicable at the time of shipment.

If you have any questions, please contact one of our local offices.

With best regards,
