Re: - IRA Far East - Middle East Trade - Peak Season Surcharge - July 15, 2007

Dear Our Valued Customers

In view of the exceptionally strong demand for cargo space and equipment in the Far East to Middle East trades, we would like to notify all our valued customers that our company has made the decision to apply a **Peak Season Surcharge (PSS)** of **US\$150/20'** , **US\$300/40'** & **40'HC** starting from **July 15, 2007**.

By applying this PSS, we believe that our company will be in a better place to adequately meet the needs of our customers and continue to provide a high standard of service in this trade.

Please note that with effect from July 15, 2007 this PSS will apply on top of existing ocean freight rates. Ocean freight rates will, furthermore, still be subject to all accessorial surcharges applicable at the time of shipment.

If you have further query , please do not hesitate to contact one of our local offices.

With Best Regards,
MOL (Indonesia)
