Re: Peak Season Surcharge - Australia August 15th, 2007

Dear Our Valued Customers

Wish to advise that we will be implementing a Peak Season Surcharge on August 15th, 2007 on all shipments transiting Singapore enroute to Australia.

From Bill of Lading date August 15th 2007 all shipments to Australia will levy an increase of US\$ 250/TEU for both dry and refrigerated cargo on top of the base ocean freight.

This increase will apply in addition to existing market rates and will be subject to all ancillary charges applicable at the time of shipment.

Should you have any questions, please contact our local offices.

With best regards,
MOL (Indonesia)
