St. Petersburg Emergency Surcharge - Increase in Surcharge

Dear Valued Customer,

Please be informed that MOL will increase the St. Petersburg Emergency Surcharge. The following surcharge is applicable with immediate effect and valid until further notice.

GP Containers:	USD 400/800 per 20/40'
Reefer Containers	USD 675/1350 per 20/40'

MOL is implementing this surcharge due to the worsening situation at St Petersburg and increased feeder costs.

Trust to have informed you sufficiently.
